ABOUT US

'DHARA' is a leading brand in domestic flour mills & Pulverizing Machine in Indian market since 1965. We have vast experience of 50 years in this field. 'DHARA' is the most essential home appliance brand for health of your entire family. 'DHARA' uses state of the art "Stoneless Technology" to make flour from grains without crushing grains.

Along with being a ISO 9001 certified company, we are also awarded with UKAS Quality Management Certificate. We use IS specification 1155 guidelines, which states that grounded flour must remain semi warm. Which leads to Germ Free Flour.

Hence, 'DHARA' is the best choice for Healthy Family.
